Help Wanted – Assistant IT Manager

July 10, 2024

The Wabash Valley Amateur Radio Association is looking for a member to volunteer as an Assistant IT Manager. This individual will serve as a backup to the IT Manager and will be responsible for assisting the IT Manager in maintaining the WVARA website, membership & inventory database, e-mail accounts, & the e-mail discussion (Google) group.

The Assistant Webmaster must be a General or Associate member of the WVARA.

Knowledge of (or a willingness to learn) coding in HTML, PHP, & Java Script is required. The WVARA website is developed and maintained using Visual Studio Code, and uploads to the website are accomplished using FileZilla. Both are free applications.

Interested members should contact the WVARA IT Manager via e-mail at webmaster@w9uuu.org, or by phone at (812)236-6522.

73, Ray, K9DUR
